- Strutting required for doors wider than 3,353 mm

TRACKS

- 50 mm or 75 mm wide galvanized steel tracks

STANDARD VISION LITES OPTIONS

Consult Steel-Craft for additional custom glass options.

GLASS

Available in tempered single pane and tempered sealed units. Glass options include Clear, Satin Privacy (Frosted), Dark Tint Clear, Dark Tint Privacy and Bronze Reflective.

THERMOCLEAR POLYCARBONATE

Available in Triple Wall 16mm. Colour options include Clear, Bronze, Blue and Green.

STANDARD ANODIZED FINISH

Additional custom anodizing colours are available, please consult factory for details.

NEW WOODGRAIN FINISH COLOUR OPTIONS

Highlight the classic feel of your home while benefitting from the durability of an aluminum garage door. These doors have a low-maintenance finish that requires no staining or painting and, unlike real wood, they will not warp, shrink, peel, or crack.

STANDARD PAINTING COLOUR OPTIONS

A full selection of custom paint colours are available, please consult factory for details.

MATTE FINISH

GLOSS FINISH

Note: Colour representation may not be accurate. Exact matches can be requested from a Steel-Craft dealer.

ESTEEM SERIES

The Esteem Series of aluminum doors brings a modern look to any home. These doors can be custom painted, filled with coloured glass and are available in a wide variety of sizes. Increase your curb appeal with window designs that suit your home, while benefitting from the durability of a sturdy aluminum door.
