Panel Features

The Industry Leader in Innovative Door Safety, Luxury, and Selection

Tongue & Groove Section Joints **1**

Precisely designed thermally broken section joints reduce air infiltration and create weather tight seal.

Sandwich Construction **2**

3-layer steel front and back construction with insulating polystyrene core increases energy savings.

Smooth Steel Texture **3**

Heavy-duty 24 gauge steel exterior skin comes in four attractive colors.

Aluminum Retainer **3**

Hörmann minimizes floor corrosion by utilizing an aluminum bottom seal retainer that never rusts and is more durable than brittle plastic retainers.

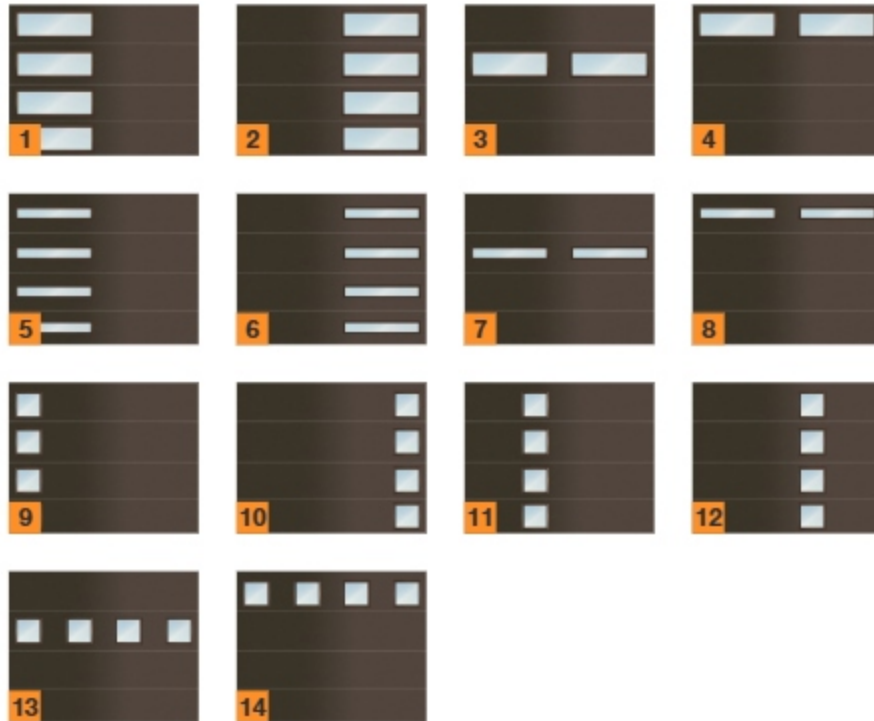

Bottom Weather Seal **4**

Keeps out wind, rain, debris and other elements for added energy savings.
